Silencer Guard

Manufactured in 1½" heavy guage tubing. 4 point fixing.

BA 084

Freelander

Rock SliderZ

The SliderZ are manufactured from 1" diameter steel tubing and a 3/16" steel, custom Z strip. The mounting brackets and scuttle plates are .125" and 3/16" steel plate. These provide a secure mounting base. The materials used for the SilderZ are carefully chosen for their light weight, high strength features and design is optimised so that no drilling is required. The factory jack can still be used with the SliderZ due to the unigue tab located under the Z strip which will engage the jack.

BA 088

Freelander

Gas Shock Absorber

Monroe - Gas filled shock absorbers that offer an excellent replacement for the oil originals. Durable and suitable for towing.

BA 2117	Front	Frelander
